PROFESSIONAL SUMMARY

Motivated Bachelor of Business Administration (BBA) student specializing in Finance and Accounting with practical banking exposure through internship at Rastriya Banijya Bank. Strong foundation in financial analysis, accounting principles, investment strategies, and risk management. Skilled in data-driven decision-making, Microsoft Excel, and professional communication. Eager to apply academic knowledge to real-world financial and business challenges as an aspiring financial analyst.

EDUCATION

Bachelor of Business Administration (BBA)

2024 – 2028

Mahendra Morang Adarsh Multiple Campus, Sunsari, Nepal

Focus Areas: Finance • Accounting • Business Management • Risk Management

PROFESSIONAL EXPERIENCE

Banking Intern

2 Months

Rastriya Banijya Bank

- Gained hands-on exposure to banking operations, financial procedures, and core banking workflows.
- Observed customer service and account management processes, learning client-handling best practices.
- Developed practical understanding of financial institutions, business operations, and compliance.
- Strengthened professional communication, teamwork, and workplace etiquette in a corporate environment.

SKILLS & COMPETENCIES

Technical: Microsoft Excel • Financial Analysis • Accounting • Risk Management • Business Management

Soft Skills: Analytical Thinking • Communication • Problem Solving • Teamwork • Presentation Skills

Tools: MS Office Suite • Spreadsheet Modeling • Presentation Software

ACADEMIC PROJECTS

Academic Presentations & Research Work

- Prepared and delivered presentations on business, finance, accounting, and management topics.
- Demonstrated research, data interpretation, and public speaking abilities.
- Collaborated on group management assignments — planning, role allocation, and final reporting.
- Explored core financial concepts including ratio analysis, time value of money, and capital budgeting.

CAREER OBJECTIVES

To grow into a skilled finance and management professional by combining academic rigor with hands-on experience in banking, financial analysis, and corporate decision-making. Aspire to build expertise in investment research, contribute to data-driven business decisions, and pursue meaningful opportunities in banking and finance.
